WELCOME

Welcome to Dar Al Khaleej Al Mutakamil Co.

- We are proud to introduce ourselves as a trusted engineering and contracting company committed to delivering excellence across civil, mechanical, electrical, and industrial services.
- With a strong foundation built on integrity, quality, and professionalism, we aim to provide innovative and reliable solutions that meet the highest industry standards in the Kingdom of Saudi Arabia.

With a strong foundation built on integrity, quality, and professionalism, we aim to provide innovative and reliable solutions that meet the highest industry standards in the Kingdom of Saudi Arabia.

Our dedication to safety, precision, and timely project completion makes us a reliable partner for your success.

ABOUT US

Dar Al Khaleej Al Mutakamil Co. (DAK Engineering)

-  Established in 1437 Hijri
-  Commercial Registration No: 7050356844
-  Kingdom of Saudi Arabia

Dar Al Khaleej Al Mutakamil Co. is a multi-disciplinary contracting company specializing in:

Civil Construction

Mechanical Works

Electrical Installation

Instrumentation

Firefighting Systems

Industrial Fabrication

Equipment & Manpower Rental

We serve industrial, commercial, and infrastructure sectors with a professional team of engineers, supervisors, and skilled manpower.

CHAIRMAN MESSAGE

Chairman Message

It gives me immense pleasure to welcome you to **Dar Al Khaleej Al Mutakamil CO.**, a Saudi Arabian contracting company under Commercial **Registration- 70503556844**. The company was established on 1437 Hijri Calendar as a general contractor for the construction industry. We know our clients have complex businesses that require sophisticated services. Our solutions are carefully tailored combining intellectual property, emotional intelligence and technology that achieve real business results. Gearing up for the future our people have all the key ingredients to withstand the shifting sands of the business environments. Moving forward, it is our goal to strengthen and improve our core processes and services where possible and add additional services as you need them. And we need to thank our clients for the challenges thrust upon us yielding to extraordinary efforts from our company and the people. From the start, has delivered its services by its motto:

CEO MESSAGE

CEO Message

The backbone of the Company is **Mr. Jewel Rana**. He has an extensive knowledge in the field of Civil lines for 20 years in Saudi Arabia, making him fully knowledgeable to know the demands of the clients like Saudi Aramco, Sabic, **Marafiq** or any other. Our operations span every aspect of project planning and construction including Operations, **Planning Management**, Environment Impact Assessment, Design, Safety Management and Environmental Monitoring.

We balance the needs of our employees, associates, and clients, working towards mutual success.

We specialize in Civil & Structural Construction, covering Commercial Complexes, Institutional Buildings, Water Treatment Plants, and Housing Projects with civil internal infrastructure.

OUR CORE VALUES

CUSTOMER FOCUS

We prioritize our clients' needs and work to exceed their expectations.

INTEGRITY

We uphold the highest standards of honesty and transparency.

PROFESSIONALISM

We deliver quality and excellence in every project we undertake.

COMMITMENT

We are dedicated to fulfilling our promises and achieving results.

EDUCATION

We invest in continuous training and development.

TEAMWORK

We promote collaboration and a supportive work environment.

VISION & MISSION

OUR VISION

To become one of the leading engineering and contracting companies in Saudi Arabia by delivering **high-quality, safe,** and sustainable solutions aligned with **Vision 2030**.

OUR MISSION

-  Deliver projects with excellence and precision
-  Maintain the highest safety standards
-  Ensure client satisfaction through timely completion
-  Build long-term partnerships
-  Invest in skilled manpower and modern equipment

QUALITY MANAGEMENT

At DAK Engineering,
quality is not an option – it is our commitment.

We ensure:

-  Compliance with Saudi standards and regulations
-  Strict quality control procedures
-  Experienced supervision and inspection
-  Continuous improvement practices
-  Proper documentation and reporting

Our quality system guarantees **durability, safety,**
and performance in every project we execute.

CIVIL SERVICES

DAK Engineering provides comprehensive **civil construction services** including **excavation**, earthworks, foundation construction, industrial buildings, asphalt paving, and fencing systems.

Our experienced engineering team ensures **safe**, **efficient**, and **high-quality** project execution across industrial, commercial, and infrastructure sectors.

-  Precision & Quality Workmanship
-  Modern Equipment & Machinery
-  Skilled Workforce & Engineers
-  On-Time Project Completion
-  Safety & Compliance Standards

BUILDING & FOUNDATION WORKS

DAK Engineering specializes in constructing **industrial and commercial buildings** including substations, warehouses, pump stations, and residential facilities.

Our team ensures **structural integrity** through reinforced concrete works, formwork systems, and **precision engineering** practices.

Our Services Include

- ✓ Industrial Buildings & Warehouses
- ✓ Power Substations & Control Buildings
- ✓ Pump Stations & Utility Structures
- ✓ Residential & Commercial Buildings
- ✓ Concrete Foundations & Footings
- ✓ Reinforced Concrete Works
- ✓ Formwork & Steel Reinforcement
- ✓ Temporary Site Offices & Camps

FOUNDATION & STRUCTURAL WORKS

DAK Engineering specializes in **foundation and structural construction** to provide durable and safe building foundations for commercial and industrial projects.

Our foundation works ensure **durability, safety, and long-term performance** for every project.

-  Reinforced Concrete Foundations
-  Structural Columns, Beams & Slabs
-  Formwork & Steel Reinforcement Installation
-  Concrete Pouring & Casting
-  Structural Rehabilitation & Strengthening

ASPHALT & ROAD MARKING

DAK Engineering specializes in providing **comprehensive asphalt paving** and road marking services for infrastructure projects across Saudi Arabia.

- Road Base Preparation
- Asphalt Paving & Compaction
- Precision Road Marking & Line Painting
- Parking Lot & Industrial Road Construction

We ensure precise and robust foundation and structural works using skilled manpower and high-quality materials for every project.

Quality Paving Machinery

Experienced Engineers

Durable Smooth Roads

MECHANICAL SERVICES

Pipeline Works

DAK Engineering provides specialized **pipeline** construction and installation services for industrial plants, oil & gas facilities, water supply networks, and infrastructure projects.

Our mechanical team ensures precision installation, high-quality welding, and reliable testing procedures to deliver durable and efficient pipeline systems.

SERVICES INCLUDED

- ✓ Oil & Gas Pipeline Installation
- ✓ Water Supply Pipeline Construction
- ✓ Welding & Pipe Spool Fabrication
- ✓ Pipeline Flushing & Pressure Testing
- ✓ Pipe Laying & Trenching Operations

Quality Pipeline Installation

Skilled Welders & Fabricators

Cutting-Edge Equipment

Reliable Testing Solutions

MECHANICAL SERVICES

Mechanical Installation & Machinery

DAK Engineering provides expert **mechanical installation**, erection, and **maintenance services** for industrial facilities, power plants, and infrastructure projects.

Our skilled mechanical team ensures **precision alignment**, proper installation, and reliable operation of heavy machinery, equipment, piping, and structural components.

SERVICES INCLUDE

- Machinery Erection & Installation
- Industrial Equipment Assembly
- Heavy Pump, Tank & Vessel Setup
- Precise Alignment & Leveling Works
- Piping & Tubing Installation Works
- Structural Steel Erection & Maintenance

Precision Equipment Setup

Skilled Installers & Riggers

Complex Machinery Assembly

Structural Steel Erection

MECHANICAL SERVICES

HVAC, Insulation & Testing Works

DAK Engineering provides **specialized HVAC**, insulation, and mechanical testing services for industrial facilities, commercial buildings, and infrastructure projects.

Our mechanical experts install energy-efficient HVAC systems, implement thermal insulation solutions, and conduct thorough mechanical testing to ensure performance and safety.

SERVICES INCLUDE

- HVAC System Installation
- Thermal Insulation & Cladding
- Sand Blasting & Industrial Painting
- Mechanical Testing & Flushing
- Commissioning of Systems

Energy-Efficient
HVAC Systems

Skilled Installers
& Riggers

Surface Preparation
& Painting

Commissioning
& Testing

ELECTRICAL SERVICES

- Survey & Estimates
- Field Design Works
- Cable & Cable Termination Works
- Lighting & Power Receptacles
- Equipment Installation
- Miscellaneous Services

- ① All types of Transformer Field Assembly
- ① All types of Bus Duct Field Assembly
- ① Power Disconnect Switches & Gears
- ① Power Distribution Equipment Installation
- ① UPS, Rectifiers, Inverters & Industrial Batteries
- ① Electrical Equipment Control Assemblies
- ① Cable Trench Excavation & Cable Laying
- ① Cable Termination & Splicing
- ① Conduit, Cable Tray & Duct Installation
- ① Aircraft Warning Light & Industrial Lighting
- ① Building & Architectural Lighting
- ① Grounding Well, Plate & Earthing Installation
- ① Lighting Rod & Pole Installation

INSTRUMENTATION SERVICES

- Survey & System Assessment
- Field Instrument Installation
- Control Panel Installation
- Instrument Calibration Services
- Loop Checking & Testing
- Commissioning & Start-Up Support
- Instrument Maintenance Services
- Industrial Automation Support

- Installation of Pressure, Temperature & Flow Transmitters
- Control Valve Installation & Calibration
- Field Instrument Hook-up & Tubing Works
- Junction Box Installation & Wiring
- Instrument Cable Laying & Termination
- PLC & DCS System Interface Support
- Instrument Air Line Installation
- Cable Tray & Conduit Installation for Instruments
- Loop Testing & Functional Testing
- Instrument Calibration for Process Plants
- Industrial Automation Equipment Installation
- Shutdown Maintenance & Troubleshooting
- Commissioning Support for Process Facilities

FABRICATION

- Structural Steel Fabrication
- Piping Fabrication
- Skid, Tank & Vessel Fabrication
- Platform & Ladder Fabrication
- Duct & Chute Fabrication
- Equipment Structural Supports
- Pipe Spools & Manifolds
- Sheet Metal Fabrication
- Custom Metal Works
- Onsite Installation & Erection Works
- Industrial Skid & Modular Skids Fabrication

Structural Fabrication

Precision Welding

Industrial Steel Works

Custom Fabrication

SCAFFOLDING SERVICES

- Structural Steel Fabrication
- Scaffolding Erection & Dismantling
- Safety Accessories for Scaffolds
- Scaffolding for Industrial Plants
- Aluminum Scaffolding Systems
- Suspended Scaffolding Installations
- Scaffolding Safety Inspections
- Heavy-duty Scaffolding Installations
- Customized Scaffolding Solutions
- Training & Certification for Scaffolders

SANDBLASTING & PAINTING

- Abrasive Blasting & Surface Preparation
- Industrial Painting Services
- Coating Applications for Corrosion Resistance
- Tank & Vessel Painting
- Pipeline & Structural Painting
- Sandblasting for Equipment & Machinery
- Protective Coating Application
- Blasting & Painting for Industrial Plants
- Epoxy, Polyurethane & Fireproof Coatings
- Offshore & Onshore Coating Applications
- Maintenance & Repainting Services

MANPOWER RENTAL

DAK Engineering provides skilled and certified manpower to support construction, industrial, and infrastructure projects across the Kingdom of Saudi Arabia.

Our manpower services ensure that clients receive **qualified professionals** and **experienced technical workforce** to maintain efficiency, safety, and productivity throughout project execution.

We supply manpower for **short-term assignments**, **long-term projects**, **shutdown maintenance**, and industrial operations.

Engineering & Professional Staff

- Civil Engineers
- Mechanical Engineers
- Electrical Engineers
- Instrumentation Engineers
- Planning Engineers
- QA / QC Engineers
- HSE Engineers / Safety Officers

Supervisory Staff

- Civil Supervisors
- Mechanical Supervisors
- Electrical Supervisors
- Instrument Supervisors
- Scaffolding Supervisors
- Site Foremen

Why Choose DAK Engineering Manpower

- ✓ Experienced and certified workforce
- ✓ Compliance with Saudi labor regulations
- ✓ Quick mobilization capability
- ✓ Flexible manpower supply solutions
- ✓ Support for large industrial and construction projects

SKILLED TECHNICAL WORKFORCE

DAK Engineering provides a wide range of skilled technicians and craftsmen for industrial and construction projects.

Mechanical & Fabrication Workforce

- Pipe Fitters
- Structural Fabricators
- Welders (ARC / TIG / MIG / FCAW)
- Steel Erectors
- Mechanical Technicians

Electrical & Instrumentation Workforce

- Industrial Electricians
- Instrument Technicians
- Control Panel Technicians
- Cable Pulling Technicians
- Electrical Maintenance Technicians

Industrial Services Workforce

- Sandblasters
- Industrial Painters
- Firefighting Technicians
- HVAC Technicians
- Maintenance Technicians

CONSTRUCTION & GENERAL WORKFORCE

DAK Engineering also provides construction manpower and industrial labor for large-scale infrastructure and industrial projects.

Construction Workforce

- Scaffolders
- Riggers
- Signalmen
- Steel Fixers
- Masons
- Tile Fixers
- Shuttering Carpenters

Equipment & Machinery Operators

- Crane Operators
- Excavator Operators
- Bulldozer Operators
- Forklift Operators
- Heavy Equipment Operators

Support Staff

- Drivers
- Storekeepers
- Document Controllers
- Timekeepers
- Office Assistants

Our Strength

- ✓ Skilled manpower database
- ✓ Quick mobilization
- ✓ Experienced workforce
- ✓ Safety trained personnel
- ✓ Support for mega industrial.

LANDSCAPE SOLUTIONS

Creating Green Spaces. Enhancing Lives.

At Dar Al Khaleej Al Mutakamil CO., we transform outdoor spaces into sustainable, lush, and aesthetically pleasing environments. Our team combines technical precision with creative design to deliver high-quality landscaping and smart irrigation solutions tailored to the unique climate of the region.

OUR SERVICES

-  **Landscape Design & Installation**
Creating beautiful, functional, and sustainable landscapes.
-  **Irrigation Systems**
Smart & water-efficient irrigation solutions.
-  **Softscaping**
Trees, shrubs, lawns, flowers & ground covers.
-  **Hardscaping**
Pavers, walkways, pergolas, decking & outdoor structures.
-  **Landscape Maintenance**
Regular care to keep your landscapes vibrant all year round.

WHY CHOOSE US

-  **Experienced & Skilled Team**
with a passion for greenery
-  **High-Quality Materials**
& modern equipment
-  **Sustainable & Eco-Friendly**
practices
-  **Timely Project Delivery**
with attention to detail
-  **Customer Satisfaction**
is our top priority

OUR VALUED CLIENTS
